

OTAGO TRAMPING AND MOUNTAINEERING CLUB

OTC / OTMC CENTENARY WEEKEND 2023

OTMC Clubrooms Visit - 3 Young Street, St Kilda, Dunedin *Sunday, October 22, from 12pm*

Thanks to the diligent financial management by past committees and members, the club was in a strong enough financial position in 1990 to purchase our own clubrooms. While being outside of our preferred inner city location, the former TAB in St Kilda was within our budget and suited our needs.

The clubrooms were purchased using accumulated club funds, and have proved to be a sound investment. The club had the use of around 10 different clubrooms prior to Young Street, and older members will recall the disruption of moving rooms.

At the time of the 30th Anniversary of moving to Young Street, we compiled a presentation outlining our clubrooms journey - this can be viewed online [here](#).

Having our own rooms mean we can have a large map wall, as well as display photos and other information in a more permanent way - these things help create a tramping environment.

We will have the clubrooms open from 12pm on the Sunday. This has been timed to run alongside the Ben Rudd's visit, with the thinking that we can spread attendance out across the afternoon.

If you are not attending Ben Rudd's, we ask that you try and come along to the clubrooms from 12pm. We have over 90 people indicating interest in visiting the clubrooms - this is more than the rooms can handle, so by spreading out the visits over the afternoon we should be able to accommodate everyone.

We will have tea and coffee available, and if you wish to share any photos, then you can do this with our computer & projector - photos on a USB drive are best.

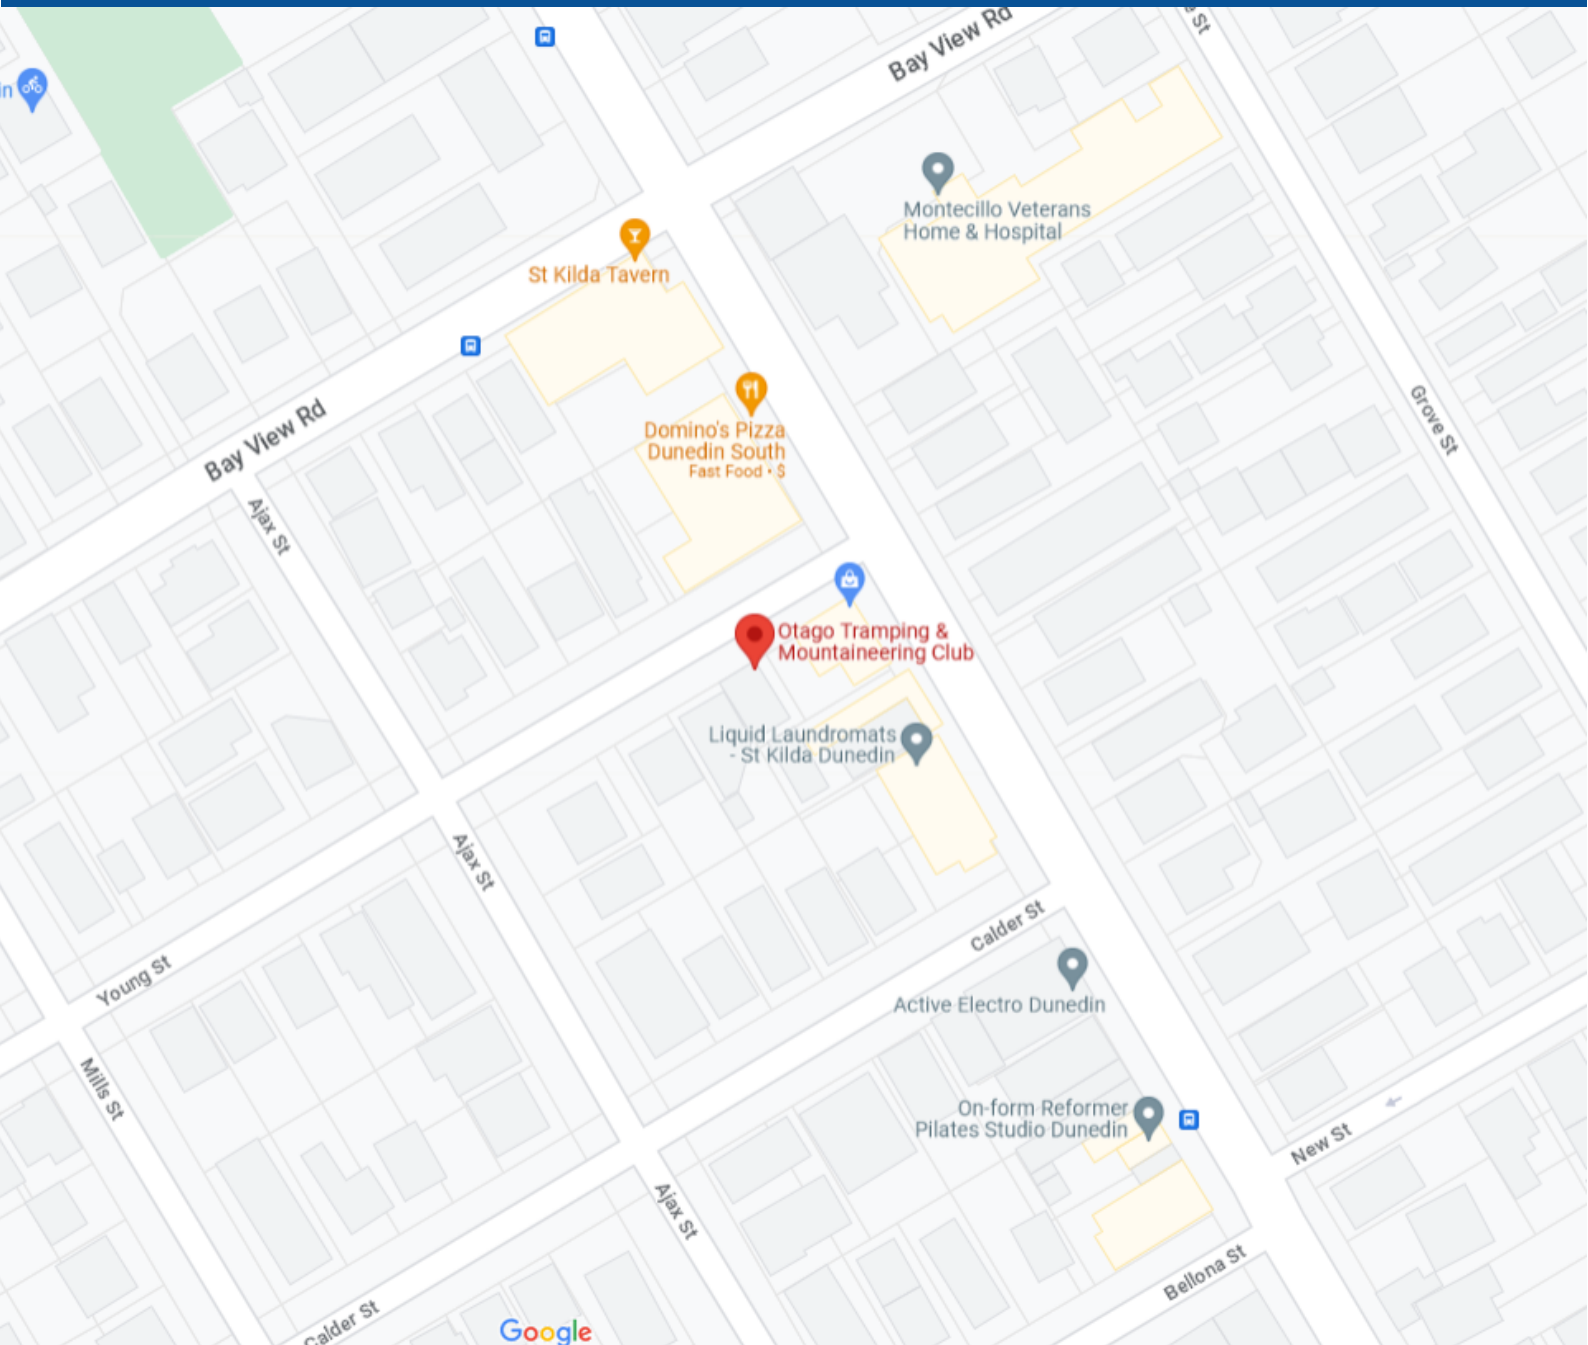

We will keep the rooms open for as long as there is interest.

The clubrooms (3 Young Street) are near the corner of Prince Albert Road and Young Street, behind the diary. Please be considerate of our neighbours when parking - parking in adjacent streets is a good idea.
